

# Evergreen Wisteria

**Common Name:** Evergreen Wisteria

**Botanical Name:** *Millettia reticulata*

**Plant Habit or use:** Free blooming evergreen vine with fragrant rose-purple wisteria-like flowers and glossy deep green foliage.

**Exposure:** sun, partial sun

**Flower Color:** Rose-purple

**Blooming period:** Spring-summer

**Height:** 12-15'

**Plant Character:** Evergreen

**Water Requirements:** medium

**USDA Hardiness Zone:** 8

**Additional Comments:** I've just recently planted this plant in my yard. The picture below was taken at Grace Manor in Galveston in November of this year. It definitely needs a very sturdy trellis to grow on.
