

# Sedum Autumn Joy

**Botanical Name:** Autumn Stonecrop

**Type:** perennial, succulent

**Height:** 12-23 inches

**Light:** Full sun, partial shade

**Moisture:** Medium, drought resistant

**Soil:** Normal sandy to dry

**Blooms:** Broccoli-like buds appear in mid-summer then open in early fall into very large dusty pink flower heads that darken to bronzy-red. Even dead blooms are impressive.

Attracts butterflies and hummingbirds.

Deer resistant.

Good as cut flower.
